SUBJECT: FULTON COUNTY COMMERCIAL RECYCLING PERMIT APPLICATION

The Fulton County Board of Supervisors passed Resolution # 286 in 2007 to offer commercial recycling to small businesses in Fulton County, which allows them to bring their recyclables directly to this department. Starting Jan. 1, 2015 there is no cost for commercial recycling – including large permitted haulers, as well as small businesses.

The Fulton County Department of Solid Waste has established a permit system for small commercial recycling customers to utilize the Recycling Facility at the Fulton County Department of Solid Waste. The only cost is the annual \$25 permitting fee. All necessary application forms are enclosed.

Upon approval, the commercial recycling permit will be valid until Dec. 31 of each year. Renewal applications should be filed thirty (30) days prior to the expiration date. If you need to amend your permit throughout the year (such as changing a vehicle), please notify the Department of Solid Waste a minimum of five (5) days in advance of use.

Attach the permit application fee to your completed application. Make checks payable to the Fulton County Treasurer. Send completed forms and check to the Department of Solid Waste, P.O. Box 28, Johnstown, NY, 12095.

Please note that the Recycling Guidelines must be followed per the attached brochure. Solid Waste Management Law provides Fulton County with a mechanism to revoke privileges of users violating said local law.

If you have any questions, please feel free to contact the Department of Solid Waste, at the above telephone number.
